From the Editor

The last issue of the newsletter was sent out the beginning of August and I skipped a few months until now. I've been busy travelling between SC and NY several times since then as my mother has terminal cancer. I just didn't have my heart into making a newsletter. She is still OK but my travels will only be increasing as my daughter in Maryland is giving birth to my first grandchild any day now. So while you are reading this, it may be a few months more before the next issue. Sorry!

Do you have a question you want answered? Are you curious about something ham related but need some ideas or guidance? Are you stumped about something and need help? We have mentors that can give you the advice you need. Please see the "Need help? Contact us" link on the home page of ac4rc.org. Best of all, it's free!

73! Jeff (W4BIX) w4bix@arrl.net

Dec 7 th	Radio ops for Pearl Harbor Day onboard the USS North Carolina (BB-55)
Dec 11 th	VEC Testing 10:00 AM CFCC North campus
Dec 21 st	Club Christmas dinner @ Golden Corral 5130 New Centre Dr. 6:00pm - 8:00pm
Every Monday	2 Meter Rag Chew, 9:00PM 147.18MHz, +0.600 offset, 88.5 tone Norman (KI4YSY) is net control

Upcoming Important Club Events

Member Spotlight

Jeff (W4BIX) and Hutch (NKOS)

I will try to include a member spotlight every issue if club members can send me a write up about how they started in ham radio and up to the present day how their hobby has progressed. Email me YOUR story to w4bix@arrl.net. This issue is Hutch's (NKOS) story:

My journey into amateur radio started on a cold, snowy night in South Korea during the winter of 1977/78. The walk from my Quonset hut to the Officer's Club would involve a lengthy walk in the cold and snow so I began looking through the stack of magazines that previous occupants had left behind when they rotated out of South Korea. I came across a Heathkit catalog and as I looked at the many kit options I came across the Heathkit HR-1180 amateur radio bands receiver. Reading the description I realized it was something that I could build.

My father, George Hutchison (SK) was licensed as W9MMA from about 1933 until WWII when amateur radio operations were suspended. He never renewed his license after WWII but retained his interest in electronics having a small workshop in the basement where he would do minor repair on CB and amateur radios. He also helped me build simple one and two tube receivers using my mother's cake pans for a chassis. However the idea of becoming an amateur radio operator never crossed my mind.

I ordered the Heathkit HR-1180 receiver, soldering iron and soldier from Heathkit and a few weeks later it arrived. I assembled the receiver on the desk in my bedroom and was pleasantly surprised when I turned it on and it did not emit clouds of smoke. I scrounged some used common wire and strung it between a tree and light pole and began tuning the amateur bands listening to (mostly) one-sided conversations from operators in the United States and various other countries. I was hooked but obtaining at U.S. Novice license in South Korea was virtually impossible because the closest U.S. Hams were in Seoul and I was stationed way south of Seoul so I had to delay my endeavor until I transferred to my next duty station.

Several months after leaving South Korea I reported for duty in the Panama Canal Zone (for the second time) and after getting settled sought out the local radio club. I was fortunate to be Elmered by John Barham, WB5GUV, who with great patience tutored me in Morse Code and theory. I (finally) passed the 5 WPM code requirement and the written examination and then spent weeks waiting for my license to arrive. I spent the waiting time building the Heathkit HX-1181 CW transmitter to pair with my HR-1180.

It was during this time that the United States began the turn-over of the Panama Canal Zone to the government of the Republic of Panama. This ended the issue of Canal Zone KZ5 calls and required all foreign Hams living in the former Canal Zone to apply for a Panamanian reciprocal license. My reciprocal Class C license was finally issued and I became KA0HYH/HP1. Quite a handfull for a brand new Novice to use on CW. I am sure that many of my CQ's whet unanswered because as soon as the "KA0" was copied by other operators they moved on looking for more exotic contacts. I persevered and completed WAC and WAS.

As the turn-over of the Canal Zone progressed the government of Panama decided to allow non-Panamanian amateur radio operators to sit for a Panamanian license exam. Many of the U.S. operators holding a U.S. Novice license and reciprocal Panamanian Class C license, opted to take the written and Morse Code examinations for a Panamanian Class B license (equivalent to a U.S. General license).

After passing the two examinations I was issued the call "HP1XHH" and my passion for DXing took root laying the foundation for many hours of searching for a new DX contact. I was later transferred to the Republic of El Salvador and was issued the call "YS9HH" based on my U.S. Novice license and my Panamanian Class B license.

Returning to the United States in 1983 I began the process of up grading to General Class, then Advance and finally in 1985 after passing the 20 WPM Extra code requirement in Fayetteville, North Carolina, I traveled to the Dayton Hamfest where I passed the Extra written examination becoming "NKOS".

In the ensuing years I have had the pleasure of operating as HL9HP, OA4/NKOS & V31HH and most importantly meeting operators from around the world including John Devoldere (SK), ON4UN, and Father Edward P. Schmidt, SJ, OA4SS, and making lifelong friends such as Dino Papas, KLOS, and Toby Papas, KLOSS. I also married my lovely and understanding wife, Linda, KD4TXY, who tolerates the many hours I spend operating and building amateur radio equipment.

Harvey C. Hutchison, Ed.D. CW4 (Ret) USA

VEC Testing Results

by Steve (AJ4JJ) and Bill (N2COP)

The ACARC VE Testing Team held another socially distanced examination session at the North Campus of CFCC on October 9. Two applicants were successful in becoming Technicians on that rainy Saturday. Top to bottom on left are chief examiner Steve Wilder, AJ4JJ; Stan White, KI4NC; ACARC President Jeff McCulloch, K4JEL, and Bruce Daniels, KM4OED. Ongoing thanks to all Volunteer Examiners (VE) who donate their time.

Director Election Results

from the ARRL

The ARRL New England and Roanoke Divisions will have new Directors on January 1. The results of these three-way contested elections for Director were announced on November 19, after ballots were tallied at ARRL Headquarters.

In the New England Division, incumbent Fred Hopengarten, K1VR, received 1,054 votes, past Director Tom Frenaye, K1KI, received 1,026 votes, and challenger Fred Kemmerer, AB1OC, received 1,147 votes. **Mr. Kemmerer was declared the winner.**

In the Roanoke Division, incumbent George W. "Bud" Hippisley, W2RU, received 809 votes, past Director Dr. Jim Boehner, N2ZZ, received 1,612 votes, and challenger Marvin Hoffman, WA4NC, received 1,294 votes. **Dr. Boehner was declared the winner.**

All newly elected officials take office at noon on January 1, 2022.

BB-55 Guest Operator

by Mike (NI2S)

The club had a visiting ham operator - Brian Helms (KD4RLD) from Troy NC, and his son. The pair operated NI4BK from the battleship on September 30th. Brian made about 20 contacts while his son Matthew logged for him.

Club Badge

by Jeff (W4BIX)

For those who have not purchased a new style club badge they are still available. Here is an example of the new design:

The badges are made with a color process with a gold badge blank and a safety pin clasp on the back. The design of the badge is a nod to one of the clubs enduring functions which is operating on the Battleship North Carolina (BB-55). Here is a link to the ordering page –

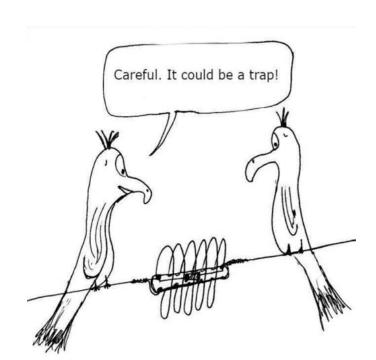

https://thesignman.com/clubs/azaleacoastarccar t.html

The base price with a safety pin clasp on the rear is \$14.50 plus shipping & handling. The person ordering has several attachment options for an additional price. See the ordering page for more information.

Club Christmas Party from the ACARC

The annual club Christmas dinner will take place on December 21st, 6:00pm to 8:00pm at the Golden Corral restaurant. This is located at 5130 New Centre Dr. in Wilmington. A room is reserved under the name "Azalea Coast."

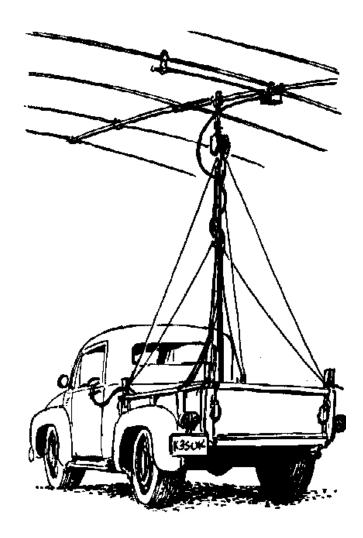

The dinner will take the place of the usual monthly meeting. The next regular monthly meeting will take place as usual on the third Tuesday of January, which is the 18th at 7:00pm.

"Folks, the main reason you can't get a picture is because you bought yourselves a ham radio by mistake."

December/January 2021 Contest Calendar

From WA7BNM
