## From the Editor

It's been a long year since my mother announced that she had terminal cancer. She fought hard but succumbed to the cancer a couple weeks ago. As usual for the past year for me it was yet another long trip to upstate NY, this one sadder than usual. I'm back home now in SC after packing a month's worth of estate business into 10 days...just in time for some surgery on June 13<sup>th</sup>! It's always something these days. So here is another edition of the newsletter and it will be a few months before another issue while I heal up.

Do you have a question you want answered? Are you curious about something ham related but need some ideas or guidance? Are you stumped about something and need help? We have mentors that can give you the advice you need. Please see the "Need help? Contact us" link on the home page of ac4rc.org . Best of all, it's free!

73!

Jeff (W4BIX)  
w4bix@arrl.net

## Upcoming Important Club Events

June 25<sup>th</sup>– 26<sup>th</sup> ARRL Field Day 2022

**Every Friday**      Lunch with club members & friends  
(watch for the email each week)

**Every Monday** 2 Meter Rag Chew, 9:00PM  
147.18MHz, +0.600 offset, 88.5 tone  
Norman (KI4YSY) is net control

## VEC Testing Results

by Steve (AJ4JJ) and Bill (N2COP)

The ACARC VE Testing Team held another examination session at the North Campus of CFCC on June 11<sup>th</sup>. Six applicants and six VE's showed up for testing. Thanks to all Volunteer Examiners (VE) who donate their time.

that frequency by none other than the ARRL when W1AW started transmitting the W1AW Bulletin.

By that time we had racked up 125 contacts in about 1 ½ hours. New member and new ham Mike Stiles (KQ4AUG) made his first HF contact in the middle of a giant pile up! He also did great as a logger. Another new member and ham Jeff Blake (KM4VKA) both operated and logged.

## Museum Ships Weekend

from Mike (NI2S)

We got off to a great start on Friday June 3<sup>rd</sup> at the official start time for Museum Ships Weekend. We received permission to work onboard the ship after visitors hours ended. We immediately worked a big pile up on 20 meters that ran until just before 10pm. We were operating at 14.290 MHz and we were kicked off

By late Saturday afternoon both the bands and the operators ran out of steam so we did not operate all the way to the 8pm end to the event.

At the conclusion of the weekend the total contact count was 680.

I would like to thank all those who came to the Battleship to either visit with us or help set up or operate (or all of the above). Obviously, by contact count alone, this was a very successful event for the club.

---

## 2022 ARRL Field Day

Sat 6/25 – Sun 6/26  
*from Mike (NI2S)*

Field Day is currently a go for Ogden Park Shelter #2 weather permitting.

Set-up will start at 11:00am local time. We will have 2 HF stations available. One station will be the club's Elecraft K3S (sorry, no amplifier this time). We will use a multi-band 80-10m dipole. The other station will use the Icom 756 and a multi-band sloper. We will have a 3rd HF antenna - a Chameleon MPAS 2.0 in vertical configuration if we need it. We will use the

N3FJP logging software. I am bringing a 6 meter beam and 30 ft mast. We'll decide while at Field Day if we want to deploy it.

Operating Period for the club will be at least from 2pm Saturday to dawn or thereabouts on Sunday. I believe we have enough folks who are committed to the night shift, but anyone is welcome to join the overnight crew for whatever duration you can allocate. We'd really like to try and run all the way to 2pm Sunday. So far, I don't think we have a commitment from 2 or more operators to keep the stations going on Sunday.

We've decided not to use emergency generator power so we don't have to deal with the refilling of tanks or needing the liquid gold to fuel. The rules require we use 100% emergency power to get the bonus points. We're going to pass on this and use electrical mains at the Shelter.

Anita and Jack are supplying the food for Field Day. The plan is to bring sandwiches from Chick-Fil-A and Arby's. We will also have chips and such to snack on, soft drinks, and bottled water. If anyone has food allergies we need to be concerned with, please email me.

Hutch will try for the satellite bonus points and we'll use this effort as our educational activity for Field Day (more bonus points). Bruce Daniels is our Safety Officer, Robert Gooch is our Public Information Officer, Paul Winter is our alternate power bonus point lead. I will be bringing the public information booth info that originally Pete constructed. Hutch will be copying the ARRL Field Day Message

Non-member guests/guest operators are welcome. If you know someone who is not a member and you think they would be interested - invite them to visit us.

Technician Class operators can operate HF on Field Day because we will have higher license class Hams at the site to supervise you while on the air. We encourage our Tech licensees to take a crack at this.

I have added our club and Field Day location to the ARRL Field Day Locator tool on the ARRL website. I have also announced our Field Day op on the Field Day Facebook group.

I think that covers it for now. I hope to see everyone there, even if you can only spare a few minutes to say Hi.

---

## Visiting BB-55 Operators

*from Mike (NI2S)*

Azalea Coast member Rita Holmgren, KO4GHW, requested that we host her unlicensed husband Doug, and her unlicensed grandson Ben Horton and introduce them to Ham Radio from the Battleship.

Grandson Ben has a career interest in becoming a commercial pilot, which obviously has an important radio coms component to that role. Doug Holmgren has a growing curiosity about this weird hobby his wife has gotten mixed up in.

Jeff McCulloch, K4JEL, activated the Battleship for POTA, and between Jeff, Rita, Ben, and Doug they worked 91 total contacts during a lively 2+ hour activation on 20 meters operating from Radio 2 of the ship. Turns out Ben has a natural talent for comms.

We presented both Doug and Ben with a commemorative certificate for their participation. Both would-be (should-be) future Hams had a lot of fun working HF contacts for the first time.

# June/July/August 2022

## Contest Calendar

From WA7BNM

<https://www.contestcalendar.com/>

<b>June 2022</b>	
+ Phone Weekly Test	0230Z-0300Z, Jun 1
+ A1Club AWT	1200Z-1300Z, Jun 1
+ CWops Test	1300Z-1400Z, Jun 1
+ Mini-Test 40	1700Z-1759Z, Jun 1
+ VHF-UHF FT8 Activity Contest	1700Z-2000Z, Jun 1
+ Mini-Test 80	1800Z-1859Z, Jun 1
+ CWops Test	1900Z-2000Z, Jun 1
+ Walk for the Bacon QRP Contest	0000Z-0100Z, Jun 2 and 0200Z-0300Z, Jun 3
+ CWops Test	0300Z-0400Z, Jun 2
+ CWops Test	0700Z-0800Z, Jun 2
+ RTTYOPS Weeksprint	1700Z-1900Z, Jun 2
