

## New Club Badge

A new club badge has been developed in hopes that everyone will wear a standardized badge representing the Azalea Coast ARC. It is NOT mandatory that you purchase one to use at club functions. The badge costs \$14.50 plus shipping & handling (I paid a total of \$19.75). The badge comes standard with a safety pin clasp but you have many options for a different style of attachment - see the ordering page (link below...)

Here is a link to our club's own ordering page :
